

Boost usage of your online resources

With free access tools

gale.com/boost

Your single source for helpful library tools

Use widgets to empower

Widgets are available for all Gale online resources. Here are just a few:

Gale PowerSearch cross-searches periodicals and other select Gale resources

This customizable widget can link users to up to 10 Gale resources. For example: Selecting "Find a Job" would link to Gale's Career Transitions

Link to subject-specific eBook collections to accommodate popular requests

Use links for faster access

Database icons link users to individual Gale resources

Book covers link directly to your eBooks

Take advantage of a free customized homepage

Simply go to galesites.com and review the homepage we've designed for you. It showcases your Gale products. If you want, you can customize it even more. Need assistance? Call Gale Tech Support at 1-800-877-4253 and select Option #4.

Promote your resources

Show your users how they can instantly access library resources free anytime, anywhere with their iPod touch®, iPhone® or iPad®. Just visit gale.com/apps for more information.

iPod touch, iPhone and iPad are registered trademarks of Apple Inc. Don't steal music.

Coming soon!

Encyclopedia.com will offer you more than the credible, authoritative information from Gale that you've come to trust – it will lead your patrons directly to your library resources. Stay tuned!

Boost usage of your online resources

With free support tools

Power to the user™

Power to the user equals value to the library. Gale, part of Cengage Learning, is committed to making your library even more relevant than ever. We are dedicated to increasing the usage of your resources in order to help you achieve your goals.

Join us online

Stay in the know by discussing best practices for boosting usage; sharing reviews of your most-used resources; and keeping current with products, events and industry news.

Market your resources

Gale can help you market your resources with attention-getting materials like posters, tent cards, bookmarks, shelf-talkers, press release templates and more. We can even show you how to make a shelf-talker and how to best use it.

Your single source for helpful library tools

Access support

Now you have instant access to a variety of support materials, from usage stats to technical support to training Webinars. Get information when and how you want it.

Get "live" or on-demand training

Have a Gale product for which you need training? Check out our Webinar schedule and sign up for the one that meets your needs. You'll be product proficient in no time.
