

Health & Wellness Resource Center

Available 24 hours a day via the Internet, Health & Wellness Resource Center provides a one stop, full-service resource for health-related research. It provides an integrated collection of general interest and fitness magazines, medical and professional periodicals, reference books and pamphlets. Records are available in a combination of indexing, abstracts or full text formats. Designed for nursing and allied health students, as well as consumer health researchers. Some titles may not appear in a search as they are in process.
