Our World is a six-level primary series in American English, bringing age-appropriate National Geographic content to young learners of English. Fun and fascinating information about the real world, with stunning images and video, gives learners the essential English language, skills, and knowledge needed to understand their world.

National Geographic content makes learning English fun!
Our World brings together fun and fascinating information about the real world, supported by stunning National Geographic images and video. It gives young learners of English the essential language, skills, and knowledge needed to understand their world— all while learning English.

Each level of Our World includes:
- Language presentation and practice
- Songs and games
- Video activities
- National Geographic Values and Mission pages
- Collaborative project work, and much more!
27 HOURS OF VIDEO FOR YOUNG LEARNERS

National Geographic video is the perfect way to bring your English classroom to life. Created especially for young learners of English, *Our World* Video is fully integrated into the *Our World* teaching and learning materials, with 30 fun-filled minutes of video for each unit that include:

- Original songs
- Language presentation and review
- Games
- National Geographic video
- and *Our World* Reader Story Time

To make it simple to use in the classroom, all 27 hours of *Our World Video* are available on Classroom Presentation Tool DVDs, for use with an interactive whiteboard, or simply a laptop and projector.
A Classroom Presentation Tool DVD for each level integrates all the teaching resources, including video, songs, games, and language presentation, making it easy to bring the classroom to life!

myNGconnect is an online companion site for teachers and learners, and provides easy access to resources that support, reinforce, and build on the learning done in the classroom.

Dr. Joan Shin, a respected trainer of young learner teachers in over 100 countries, and series editor for Our World, has designed a Professional Development program that helps teachers improve their classroom practice, and get the most out of Our World.

Using short videos of real classrooms and interviews with teachers from around the world, the program covers areas and topics such as:

- Using video and technology in the classroom
- Empowering young learners through real-world content
- Storytelling
- And much more!
BRING STORYTELLING INTO YOUR CLASSROOM

The Our World Readers are six levels of original stories, folktales, myths, and non-fiction from around the globe. Each Our World Reader is a great way to support the language covered in the Student Books, encourage reading for fun, and bring storytelling into your English language-learning classroom.

To make it easy to use the Our World Readers in your curriculum, one graded reader is available to support the theme and language of each unit. Each includes fun facts and activities and is also available as Story Time in the Our World Video.

- One graded reader for each unit
- Big Books for levels 1 and 2
- Available in the Our World Video
