Why Digital Matters
Making learning convenient and flexible for students means empowering them to study when and how they want. With 84% of college students preferring a blended learning environment, and 78% agreeing that technology contributes to successful learning,1 students clearly want to study online and on their mobile phones. Research shows they’re right.

MindTap for English Composition with JUST IN TIME PLUS
In a perfect world, what would your English course look like? Imagine one program where your students could access content, assessments, writing support, and research tools right at their fingertips. Now imagine one that not only meets students where they are but also helps get them where they need to be. Cengage Learning’s MindTap offers your students all this and more, along with the customization and personalization features you value most. Compose YOUR course YOUR way with MindTap for English Composition with JUST IN TIME PLUS!
