

Introducing our new Usage-Driven Acquisition model

BUY ONLY WHAT YOU USE MOST. PERIOD.

Provide your students, researchers, and community with unlimited access to **ALL** Gale imprints in *Gale Virtual Reference Library (GVRL)*. That's more than 2,000 reference titles from Macmillan Reference USA, Charles Scribner's Sons, St. James Press, Greenhaven Press, Lucent Books, UXL, and more filled with answers they need, when they need them.

Take the risk **out** of purchasing, and at the end of each six month period you'll know which subject areas and topics are most in demand.
