First Time Login

- To get started, navigate to: www.cengage.com/insite.
- At the Enhanced InSite homepage, click on **Login** in the upper right corner.

Create Profile

- Select "First Time User". (Note: If you are a returning user, you can use the same email and password to log in.)
- Create a user profile by selecting **Student**.

A screenshot of a web form titled "Create a New Account". Below the title is a horizontal line. The text "Please select whether you will be using the service as an instructor or a student." is displayed. Below this text are three radio button options: "student", "instructor", and "teaching assistant". The "student" option is selected, and its label is circled in red.

CENGAGE LEARNING DIGITAL COURSE SUPPORT

- Create a New Student Account. Enter the pincode found in the Printed Access Card packaged with your text. Enter the Class ID and Class Enrollment Password, which is provided by your instructor.

Create a New Student Account

class ID information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.
