“I truly think I would not have gotten the grade I did without WebAssign®. It requires you to do the problems every week and fully understand them.”

“The interactive animations and videos really do help when you’re stuck and you don’t know where to start. Videos are right there for you — you don’t need to search. There are more tools and opportunities. I feel like the Watch It videos and practice quizzes are right there for you and have helped me a lot.”
