Students Speak Out

“Some things that I liked are the note-taking apps available. I like how you can do many things throughout the reading to help you better understand and how you can go back to them all in ONE place.”

“I like that I can see what is due in a calendar format. Really helps me organize my time well.”

“MindTap does a great job of including multiple features to aid in studying on one site.”

“I really liked the note card tab MindTap had and even more, I liked that they are printable. I also liked that the dictionary was directly [integrated] which saves time.”

“I think that MindTap makes the course less complicated because everything you need is in one place.”

“I like how organized everything is.”
Does having access to videos or news articles about current events better help you apply what you are learning in class to the world around you?

On a scale of 0 to 10 (0=don't agree at all; 10=agree completely)

8.46

How useful is it to you to have the material presented alongside assignments, and learning without a textbook?

On a scale of 0 to 10 (0=not useful at all; 10=extremely useful)

7.86

On a scale of 1-10, with 10 being the most positive, what is your overall reaction to MindTap?

94% rated their reaction to MindTap with a score of 8 or better.

Students Speak Out

“MindTap can guide any student to success in his or her class by providing additional tools like an online dictionary and the ability to take notes and prepare for upcoming exams.”

“MindTap definitely targets the learning styles of many different people.”

“I liked that you can directly link your phone and get a text when there is an update from the professor.”

“I have a learning disability and I believe that this could help any student study and learn.”

How likely would you be to talk about or recommend MindTap?

84% said it’s likely they would recommend MindTap to a friend or an instructor.
