Aimed at middle school and high school students, Student Resource Center has all of the award-winning resources that you’ve come to expect from Gale®, including content based on national curriculum standards in major subject areas such as history, literature, science and social studies. It also comes with the ability to quickly and easily find relevant search results across all Gale electronic products — in one seamless search — with Gale’s PowerSearch™.

Users are able to access a variety of resources that will help them conduct research, complete assignments, create presentations and more, with content and curriculum-focused tools that include:

- Read Speaker auditory articles
- More than eight million full-text articles from one thousand periodicals and newspapers
- More than 4,000 proprietary of primary documents
- Hundreds of plays and poems
- Multimedia content, which includes podcasts, video and audio clips, and thousands of flags, maps and seals and photographs
- More than 63,000 topic overviews, biographies, and pieces of literary criticism
- Content level recommendations for reference articles (Basic, Intermediate and Advanced) to help readers choose appropriate content for their abilities and teachers to assign differentiated articles on the same topic
- Research Tools and Research Guide that tie information literacy skills to use of the resource center
- More than 1,700 study guide questions to promote understanding

New to Student Resource Center are robust features specifically targeted to students and educators, including:

- A user-friendly interface that captures student interest and provides a consistent user experience across Gale K-12 databases
