"MacArthur . . . ? Hope it won't show you up if I'm sick a bit. Mere matter of 6,000,000 work days a month."

NEWS NOTE: War production drives report sick and injured war workers lose 6,000,000 work days every month.
"Modern weapons take food from the hungry and shelter from the homeless: Every gun that is made, every warship launched, every rocket fired signifies, in the final sense, a theft from those who hunger and are not fed, those who are cold and are not clothed. This world in arms is not spending money alone. It is spending the sweat of its laborers, the genius of its scientists, the hopes of its children."
