Introduction 9
Chronology 12

Chapter 1: The Background of William Shakespeare

1. The Educated Man 16
   John F. Andrews
   Shakespeare's father, John Shakespeare, was able to provide his son with a superior classical education (though not university training).

2. Religion, Grief, and Suicide 27
   Peter Holland
   Shakespeare's familiarity with Catholic doctrine regarding last rites and suicide, and his struggle with grief, can be seen in the burial of Ophelia.

3. The Death of a Son and a Father 35
   G.B. Harrison
   The death of Shakespeare’s son Hamnet could have led him to write the play Hamlet as a memorial to his child.

Chapter 2: The Issue of Corruption in Hamlet

1. Corruption in Denmark 43
   A.C. Bradley
   The corruption of Claudius and others is present from the first and becomes clearer with his suspicion of Hamlet in Act II. The hand of Providence is seen throughout.

2. Politics in Hamlet 52
   John Erskine Hankins
   Parallels between corruption in Hamlet’s Denmark and Elizabethan England would have been readily apparent to the play’s audience.
3. Sickness in Denmark
Caroline F.E. Spurgeon
Sickness and disease in *Hamlet* are symbols of inner psychological corruption and outer political corruption.

4. Claudius Turns the World Mad
Andrew Gurr
Claudius has created a corrupt world in which decent values have been turned upside-down and members of families and the court have been driven insane.

5. Corruption Is a Progressive, Pervasive Disease
Derek Antona Traversi
Both Claudius and Hamlet spread disease with their murders, spying, and cruelty, until death takes the lives of most of the characters at the end.

6. Hamlet Is Corrupt, Not Claudius
G. Wilson Knight
Because of Claudius's actions, Hamlet becomes the real poison in the kingdom.

7. The Corruption of Reason
Juliet McLauchlan
Hamlet's reason and values might at first have healed Denmark's disease, but by the end, the situation is too hopeless for even reason to put things right.

8. Corruption's Effect on Love
H.D.F. Kitto
*Hamlet*, like Greek drama, is religious in nature, and shows the destruction of the greatest good: love itself.

9. Corruption Destroys a Generation
Margreta de Grazia
Claudius, with the collaboration of Polonius and older courtiers, destroyed not only the kingdom of Denmark but also the younger generation, which should have been coming to power.
Chapter 3: Corruption in the Twenty-first Century

1. Corruption Creates Economic Inequality 115
   Daniel Brook
   Billions of dollars are easily available to the wealthiest among us at the expense of the majority of Americans.

2. Corruption in a Global Corporate Empire 125
   Paul Kingsnorth
   International corporate crime damages every segment of the global population.

3. Corruption and the Pentagon 128
   Pratap Chatterjee
   Inflated no-bid military contracts have been awarded to former vice president Dick Cheney’s company, Halliburton, and its associates, at the expense of soldiers and foreign workers.

4. Torture and Espionage 138
   Democracy Now!
   A “Truth Commission” has been formed to look into the George W. Bush administration’s policies of detention, torture, and domestic spying.

5. Exploiting Clients and Third World Countries 146
   Ron Scherer and Brendan Conway
   Robert Allen Stanford, who owns airlines, newspapers, and banks, has been charged with fraud.

6. Justice Politicized 152
   David Iglesias with Davin Seay
   Iglesias, one of seven judges fired for political reasons alone, examines corruption in the Department of Justice.
