COLLABORATION TOOLS

EXTEND THE REACH OF YOUR RESOURCES

G Suite for Education and Microsoft Office 365 Tools

• Many of our products are integrated with G Suite for Education and Microsoft Office 365 collaboration tools. These enable users to easily access, share, save, and download content—including highlights and notes.

Chrome Apps

• Now you can access many of your favorite Gale products via apps available for free download through the Chrome Web Store. This makes it even easier for students and instructors to access Gale content from their mobile devices.

DISCOVERY SERVICES

FEWER PASSWORDS + IMPROVED ACCESS + BETTER DISCOVERY

Single Sign-on (SSO) Capability

• Gale promotes discovery of its online products and databases within library discovery services, the open web, and in the classroom.

• Gain access to your Gale products with just a single sign-on through popular services like Google, Microsoft, ClassLink, and Clever and Clever.

CITATION TOOLS

MAKE CITING WORK LESS WORK

Automated Citations and Resources

• With Gale products citations tools are directly integrated into the user's work flow and support MLA, APA and Chicago-style citations. Formatted citations can be quickly exported to EasyBib, NoodleTools, or other citation management tools from a single document or a collection of saved documents.

GALE
A Cengage Company

CUSTOMER SUCCESS IS ABOUT ENSURING OUR CUSTOMERS ACHIEVE THEIR DESIRED OUTCOMES.

At Gale, our goal is to help customers be successful.

Together, we can provide the tools necessary to help learners thrive.

GET STARTED

Let's talk about your goals! Schedule a consultation and implementation call to establish authentication methods and resource discoverability. Increase usage and discovery with direct URLs, MARC records, icons, widgets or development of custom web pages.

GET SUPPORT

Access an online library of training resources any time and share with teachers and students. Get instant insight into system status via support.gale.com as well as around-the-clock technical support from our US-based team.

GET RESULTS

From curriculum alignment and lesson planning to increasing awareness and usage - improve student engagement, encourage collaboration and foster critical thinking. Let's integrate content into your day-to-day work flow.
