

KIDS INFOBITS

Copyright Bill Greenblatt/UPI

Love animals or sports?

Studying science or social studies?

Kids InfoBits covers topics like animals, art, geography, social studies, technology, and more.

Learning has never been more exciting.

- Explore subjects easily
- Search through books, magazines, and news articles
- Discover hundreds of pictures, charts, graphs, and videos
- Find it at home, school, or on the go

It's free thanks to POWER Library, Pennsylvania's Electronic Library.

Talk to your librarian or have your parents visit kids.powerlibrary.org.
