

GALE IN CONTEXT: ELEMENTARY

# THE ABCs OF RESEARCH

## WHAT IS A DATABASE?

A database is like a digital library. You can find books, articles, magazines, photos, and videos on a variety of topics. Databases like *Gale In Context* connect you to information you can trust. And because it's online, you can use *Gale In Context* at home or anywhere you have internet access.

# 70%

**OF ELEMENTARY SCHOOL STUDENTS**

said *Gale In Context: Elementary* helped them become comfortable doing research projects on their own.<sup>1</sup>

## HOW CAN DATABASES HELP YOU?

Search engines can lead you to a lot of information, but it's hard to know what to use and what to avoid. Databases are reliable and trusted. Whether you're working on a homework assignment or exploring something that interests you, *Gale In Context: Elementary* is a great place to start!

Use this database for social studies, science, language arts classes, and more. The best part? It has helpful features to make research and projects easy. Translate articles into 40+ languages, including Spanish, and read them yourself or have your computer or device read them aloud.

**Ask your librarian for access.**

## SEARCH EASILY BETWEEN TOPICS

Start your research at **Basic Search**. If you need more specific information, use the **Advanced Search** option.

Select from home page **Topics** to find organized information on popular subjects in a few clicks. Or, explore formats like News, Pictures, and Videos.

Set **language**.

Push **Sound** on to have text read aloud as you move your mouse along the page.

Explore daily "I wonder" questions. Click on **Find Out!** and follow your own research path.

Product screen capture as of July 2021. Actual interface may vary.

## HELPFUL TOOLS TO IMPROVE YOUR RESEARCH

**Cite** sources as you go.

Click **Send to . . .** and your document will go to your Google or OneDrive account.

**Sign in** with Google Drive™ or OneDrive™ and save articles you want to use later.

**Translate** individual article text into 40+ languages.

**Listen** with text-to-speech.

Product screen capture as of July 2020. Actual interface may vary.

The end result? Get your work done quicker and easier!
