

## PERIODICAL RESOURCES FOR EDUCATORS AND LIBRARIANS

**InfoTrac** provides instant access to up-to-date premium articles from magazines, journals, newspapers, and other authoritative sources. With intuitive search features, and extensive coverage across wide-ranging topics, you'll find accurate information and articles to support your needs. Discover full-text results to enhanced instruction, support student achievement, and accelerate your professional development.

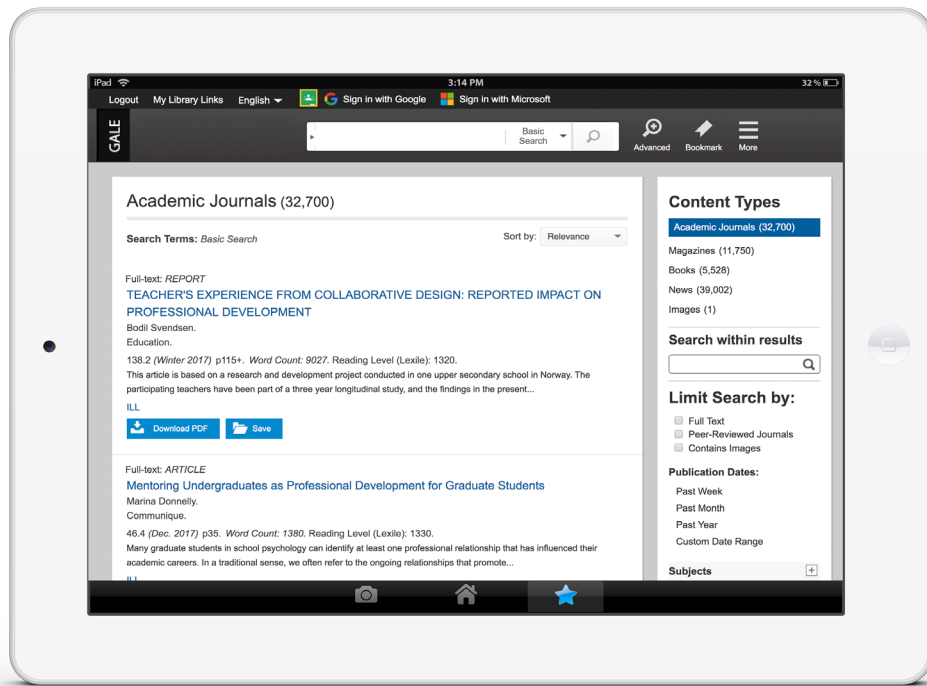

### EDUCATOR'S REFERENCE COMPLETE

If you are a school administrator, or looking to deepen your understanding in the field of education this collection has you covered. You'll find full text periodicals covering multiple levels of education from preschool to college, and every educational specialty in between. Gain insight into administration, funding, policy, testing, technology, and more.

### PROFESSIONAL COLLECTION

This collection provides access to content covering the needs of any educator looking for professional development and a deeper understanding of educational trends. You'll find information covering diverse topics such as 21st century skills, learning disorders, standardized testing, home schooling, and more. Take continued education into your own hands with the quality sources you need.

With information so readily available on the web today, validity can be a concern. Gale Periodical collections enable you to find and retrieve professional development content that is authoritative, reliable, and relevant—covering the subjects that matter most.

## COLLABORATION TOOLS

Send your research to your Google Drive or OneDrive account so you can share, save, and download articles that you can access at any time without having to log back in to library resources.

## OPTIMIZED SEARCH RESULTS

Find the information you are looking for with relevant search results that are organized by content type, subject, date, publication title, and more.

## PERSISTENT DOWNLOADS

Print, email, or download selected articles, including any of your notes and highlighted passages for quick reference to the information you need.

## SHAREABLE LINKS

Copy and paste the link anywhere you'd normally share a URL, making this tool a great way to share individual documents, searches, and more.

## SEARCH ALERTS

Stay informed on the latest trends and information by setting up an RSS feed or email notification when new articles matching your search are added.

## PLATFORM TOOLS

Take professional development into your own hands with ReadSpeaker text-to-speech technology, on-demand text translation, and listen options.
