13. Lebanon

STATION 2: ARAB AMERICAN HERITAGE MONTH

Answers will vary. Students will choose 6 of the article details they found most interesting.

STATION 3: ARABS AND ARAB AMERICANS AND THE US CENSUS

1. Answers will vary. Answer should mention how many Arab countries there are and how cultural identities can vary between countries of origin. For example, cultural differences that may exist between Lebanon and Morocco.
2. Answers will vary. Answer should mention socioeconomic challenges, the inability to track environmentally linked diseases, racism, classism, and capitalism.
3. Answers will vary. Answers should mention that there is no 'Arab' checkbox on most forms, which forces Arabs to often check 'White' or 'Other'. This leads to misrepresentation and a lack of resources, as well as psychological effects.
4. Answers will vary. Answers should mention some of the influences mentioned in the 'How have they propelled US society forward?' section of the article.

STATION 4: INFLUENTIAL ARAB AMERICANS

1. Answers will vary depending on the influential Arab American selected by each student. .
