

# UPDATED! Gale British Literary Manuscripts

In April 2023, Gale launched a new platform that can be used to access *British Literary Manuscripts*. The new platform provides more advanced research capabilities without disrupting the workflows of seasoned researchers

Topic Finder  
Find new topics or keywords and discover new connections found in the top results.

Search: [ ]

Search Terms: Author: Shakespeare

There are two ways to visualize below which words and subjects are found most often in the text of your search results.

Visualization:  Tiles  Wheel

Paper Folio William  
Shakespeare Prompt Copies Hand Century

**Smarter search results** — There will be more filtering options in search results; subject expansion, which will look for pseudonyms and synonyms of your keyword; and access to our Topic Finder textual analysis tool.

GALE PRIMARY SOURCES British Literary Manuscripts Online

Search: jane eyre

49 RESULTS Sort by: Relevance

Search Terms: Keyword: jane eyre

**Enhanced Advanced Search** — The new Advanced Search interface will provide useful tips and information to meet researchers where they are and help them get the most out of their search experience. The interface will include a detailed “Search Tips” section as well as labels and tool tips that describe each search field and limiter.

**Enhanced Browse Options** – The new interface allows users to browse all collections that make up the British Library Manuscripts and browse by author

**Optical Character Recognition (OCR) panel** — As a new option in the Explore panel when you access a document, the OCR feature will allow you to see the machine-converted version of the text in an article.

**Improved accessibility** — The interface will be maintained for web accessibility standards to ensure access by users of all abilities.
