

STUDENT COMMITMENT PLEDGE

Gale Presents: Excel Adult High School

Our library is offering Gale Presents: Excel Adult High School as a service to the community and our patrons. We recognize the life-changing significance of attaining a high school education and real-world career skills and are pleased to sponsor your enrollment into the program.

It is important you understand sponsorships are limited in number and the program is costly when not taken through your local library. Given the magnitude of this opportunity, we ask that you pledge your commitment to successfully completing this program by agreeing to the following:

- Communicate as necessary with the school's success coaches, asking for assistance if needed.
- Complete coursework ahead of or at the recommended pace. This typically requires dedicating 7 to 10 hours per week to complete your studies.
- Determine within the first 30 days, if the program is a good fit for you and will allow you to meet your academic and career goals.
- If you decide not to continue, inform the library within the first 30 days of the program so a scholarship can be transferred to another qualified student.

Please note failure to comply with the above statements will result in the termination of your enrollment.
