

# RESEARCH CURRENT EVENTS

## GALE IN CONTEXT: OPPOSING VIEWPOINTS

### VIEWPOINT ARTICLES

Documents that explain different points of view for current events.

### STATISTICS

Graphs and charts support arguments using real-world research. Many are even interactive!

### MULTIMEDIA

Pictures, videos, podcasts, and other audio files.

### NEWS AND MAGAZINES

Provide recent coverage and in-depth analysis.

### ORGANIZE RESEARCH

**Citation Tool:** Copy and paste your citations, you don't have to write them!

**Highlights and Notes:** Find the most important parts of your research and highlight them for later.

### SHARE MATERIALS

**Get Link:** Copy and paste a URL linking directly to your content.

**Google/Microsoft Drive Integrations:** Send important information right to your drive and access at any time.

### CUSTOMIZE YOUR EXPERIENCE

**Translate:** Choose the language of the navigation and article text.

**Text Manipulation:** Change the font, size, and color of what you're reading.
