

A photograph of two women in a professional setting. One woman with dark hair is leaning over a wooden table, looking at a laptop screen. The other woman with blonde hair is sitting at the table, also looking at the laptop. The background is slightly blurred, showing a white chair and a water bottle on the table.

# WELCOME TO GALE IN CONTEXT: FOR EDUCATORS

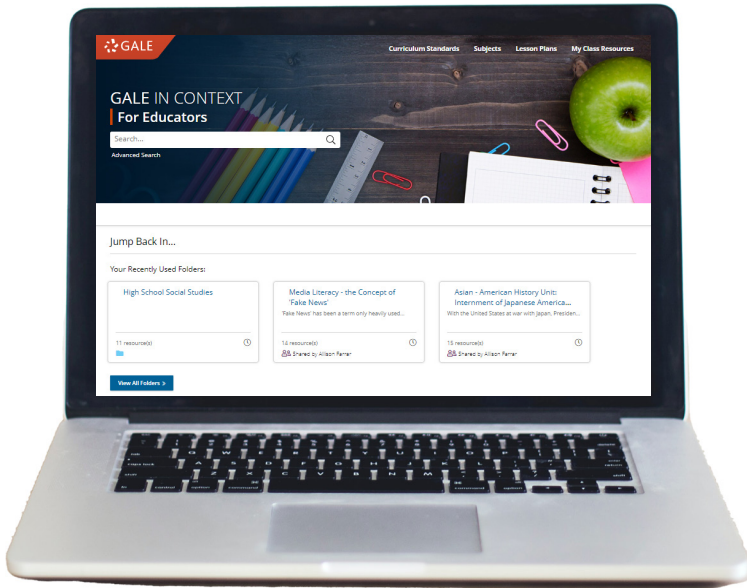

You now have access to Gale In Context: For Educators, a powerful platform designed to help you find content, enhance lessons, and build curriculum-aligned units.

Gale In Context: For Educators allows for searching through the Gale In Context suite, and provides additional unique content including lesson plans.

Flip this page to learn more about your new resources. If you have any questions please reach out to:

# GALE IN CONTEXT: FOR EDUCATORS

## TOOLS TO KNOW

• **My Class Resources:** Folders to house all your saved content. These folders can be used for collaboration with colleagues and to share materials with students.

• **Curriculum Browse:** Find content to support specific state or national standards including both Common Core and NGSS.

• **Lesson Plans:** Fully developed lesson plans support key subjects and skills including critical thinking and project-based learning.

• **Instructor's Notes, Annotations, and Clippings:** Highlight exactly what you want students to see, provide instruction, and ask questions.

# STUDENT-FACING RESOURCES

## CONTENT TO SUPPORT ORGANIZED RESEARCH

### Gale In Context: Elementary

Cross-curricular K5 content developed to support early researchers with book articles, magazines, newspapers, images, and videos.

### Gale In Context: Middle School

Cross-curricular content built for students in grades 6-8. Includes reference articles, multimedia content, biographies, primary sources, and more.

### Gale In Context: High School

Cross-curricular content built for high school students (grades 9-12). Content covers key subjects including social studies, science, literature, health, and more.

### Gale In Context: Opposing Viewpoints

Current event pro-con arguments, news reports, and statistics for high school students.

### Gale In Context: Global Issues

Current event pro-con arguments, news, and statistics presented from a global perspective.

### Gale In Context: Biography

Biographies on both current and historical figures as well as supporting reference, primary source, and multimedia content.

### Gale In Context: World History

Historical content focused on a global scale from ancient to more contemporary time periods.

### Gale In Context: U.S. History

Historical content from colonization to decades and cultural trends, political movements, and Native American history.

### Gale In Context: Science

Information on key topics within top studied STEM topics. Experiments and interactive activities bring the reference content to life.

### Gale In Context: Environmental Studies

Explores current environmental topics impacting the globe from both a social and scientific lens.
