

DISCOVER NATIVE AMERICAN AUTHORS WITHIN GALE BOOKS AND AUTHORS

Gale Books and Authors contains a powerful **Author Search** that allows you to search and filter to find Native American authors and their works. Utilize this tip sheet to find your next read!

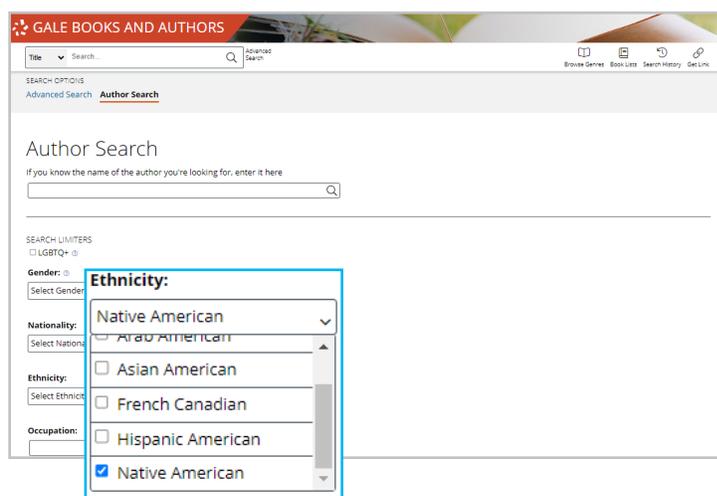

ACCESS AUTHOR SEARCH

- Select **Author Search** in the tool bar at the top of the homepage.
- Alternatively, you can access **Author Search** by navigating to **Advanced Search** from any page and selecting it. **Author Search** is the second option available within **Advanced Search**.

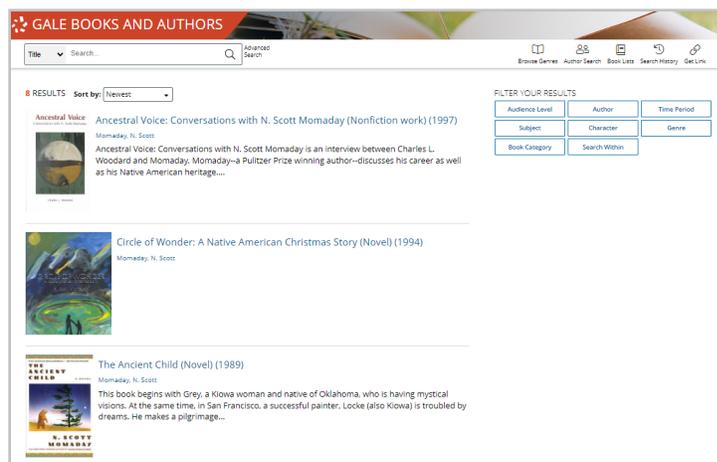

SEARCH AND FILTER

- Utilize the **Search** option at the top of the page if you have a specific author in mind.
- Scroll down to the **Filters** to narrow down based on author characteristics.
- Parameters with **Drop Down** options allow you to select one or more pre-designed characteristic; those with text boxes require your specific input.
- Selecting the **Ethnicity Filter** will allow you to limit your search to **Native American Authors**.

EXPLORE YOUR RESULTS

- View the names, birth and death years, and occupations of individuals on the **Results** page.
- Select an author to explore their works and find your next read.
