Reel: 29

Cooper, Samuel, 1780-1848.

A treatise on the diseases of the joints; being the observations for which the prize for 1806 was adjudged by the Royal College of Surgeons in London.

Boston, Printed for F. Nichols, E. G. House, printer. 1808

Joint Disease

Austin No. 532; 176 p. 16 cm.; Jacksonian prize essay, 1806; Previously in London in 1807; Includes advertisement (p. [175]-176) of the author's The first lines of the practice of surgery, reprinted by F. Nichols, Philadelphia, 1808; CU-M, CtY-M, DNLM, IEN-M, MBM, MWA, MdBj-W, NNC, NNNAM, PPC, PPL.

Reel: 29

Cooper, Thomas, 1759-1839.

A discourse on the connexion between chemistry and medicine.

Philadelphia, Abraham Small. 1818

Chemistry; Medicine

Austin No. 534; Delivered in the University of Pennsylvania, Nov. 5, 1818. [2], 48 p. 22 cm.; DNLM, ELRCS, IEN-M, MWA, NHi, NNNAM, PHi, PPC, PPL, PU.

Reel: 29

Cooper, Thomas, 1759-1839.

To the Trustees of the University of Pennsylvania. [Philadelphia]. [1818]

Austin No. 535; sheet. 25 x 20 cm.; A letter of application, dated Aug. 4, 1818, for the chair of medicine in the Faculty of Medicine of the University of Pennsylvania; Signed: Thomas Cooper, M.D. The "written testimonies" stated to have been mislaid were later recovered by the author and published separately; Cf. his Papers printed in confirmation of Dr. Cooper's claims as a physician (Philadelphia, 1818); DNLM.

Reel: 29

Cooper, Thomas, 1759-1839, ed.

[Papers printed in confirmation of Dr. Cooper's claims as a physician].

[Philadelphia, Abraham Small]. [1818]

Physicians

Austin No. 536; 8 p. 22 cm.; The papers, dated from 1803 to 1818, were apparently sent to the trustees of the University of Pennsylvania in support of Cooper's candidacy for the chair of chemistry in the Faculty of Medicine; They include testimonials which Cooper stated to have been mislaid in his previously printed letter "To the Trustees of the University of Pennsylvania" (Philadelphia, 1818); Typographical evidence indicates that Abraham Small was the printer; DNLM.

Reel: 29

Cooper, Thomas, 1759-1839, ed.

Tracts on medical jurisprudence.

Philadelphia, Published by James Webster, Thomas Town, printer. 1819

Jurisprudence

Austin No. 537; Including [Samuel] Farr's Elements of medical jurisprudence, [William] Dease's Remarks on medical jurisprudence, [G. E.] Male's Epitome of juridical or forensic medicine, and [John] Haslam's Treatise on insanity. With a preface, notes, and a digest of the law relating to insanity and nuisance, by Thomas Cooper... To which is added an appendix, containing Erskin's speech for James Hadfield ... an abstract of a report of the trial of Abraham Kessler, indicted for poisoning his wife ... and a memoir on the chromate of pot-ash, as a test for detecting arsenic, copper, and corrosive sublimate, by Thomas Cooper, Esq., read before the Am[erican] Ph[ilosophical] Society, Sep. 18, 1818; [16], 456 p. 23 cm.; CtY-M, DLC, DNLM, ELRCS, IEN-M, IU-M, MBM, MWA, MdBj-W, MdU-D, NNNAM, PHi, PP, PPAmP, PPC, PPL, PU, ScCM.

Reel: 29

Early American Medical Imprints, 1668-1820 Reel Listing

Cooper, William, 1694-1743.

A reply to the objections made against taking the small pox in the way of inoculation from principles of conscience.
Boston, S. Gerrish [etc.]. 1730
Smallpox Vaccine
Austin No. 539; In a letter to a friend in the country; By a minister in Boston ... The 3d impresiion [sic]; [4], iv, 14, [2] p. 20 cm.; Evans 3270; Half title: A reply to the religious scruples against inoculating the small-pox; "To the reader" (dated March 4, 1720-30) signed: W. Cooper; This disproves former attribution of the work to Cotton Mather; First published anonymously in Boston in 1721 under title: A letter to a friend in the country, attempting a solution of the scruples & objections commonly made against the new way of receiving the small-pox; The second edition was published in London in 1722 with Benjamin Colman's A narrative of the method and success of inoculating the small-pox in New England; Evans incorrectly hypothecates two previous Boston editions in 1730, which he numbers 3268 and 3269; Published in Edinburgh in 1791 under title: A reply to the religious scruples against inoculating the smallpox; "Postscript ... A scheme of natural principles" : p. 14-[16]; DNLM, MBM, MWA, MdBj-W, NNNAM.

Reel: 29

Reel: 57

Jones, Absalom, 1746-1818.

A narrative of the proceedings of the black people, during the late awful calamity in Philadelphia, in the year 1793: and a refutation of some censures thrown upon them in some late publications.

Philadelphia, Printed for the authors, by William W. Woodward. 1794

Blacks

Austin No. 1079; By A. J. and R. A.; 28 p. 19 cm.; Evans 27170; Pennsylvania District copyright, no. 54, issued in 1794 to Absalom Jones and Richard Allen, "as authors and proprietors."; The publications referred to in the title are those of Mathew Carey, particularly his A short account of the malignant fever, lately prevalent in Philadelphia, where his remarks reflect upon the conduct of negro nurses in the yellow fever epidemic; The first three editions of this work appeared in November 1793; Jones' references are to the 2d ed. (p. 76-77) and the 3d ed. (p. 106) of Carey's work; Carey replied to Jones' narrative and to a criticism signed "Argus," in Address of M. Carey to the public, Philadelphia, 1794; The narrative is followed by a letter to Matthew Clarkson, mayor of Philadelphia (dated Jan. 7, 1794, and signed by Absalom Jones and Richard Allen) with Clarkson's reply (dated Jan. 23, 1794): "An address to those who keep slaves, and approve the practice"; "To the people of colour": and "A short address to the friends of him who hath no helper."; DNLM, NHi, NNNAM, PP, PPAmP, PPC, PPL.

Reel: 57

Natchez (Miss.). Mayor and citizens.

The Mayor, aldermen, assistants, medical faculty,
and other citizens of Natchez humbly solicit the
attention of the legislature of this territory to the
following memorial.
[Natchez]. [1804]
Austin No. 1361; broadside; 30 x 35 cm.; fold; to 30
x 18 cm.; Dated Dec. 22, 1804; Begins: For the
promptitude and zeal with which your honorable
body has already manifested to effect the
establishment of a hospital in our city, we ... return
you ... thanks; Presents for the guidance of the
legislature data concerning the prevalence of disease
in Natchez, particularly among transient river
boatmen, and estimates of the cost of building and
maintaining the hospital; Originally accompanied by
(1) a copy of the resolutions adopted by the medical
practitioners of Natchez on Nov. 21 and issued by
them in a printed "Circular," and (2) "subscription
papers" (forms with signatures of charitable donors
and amounts pledged); The Natchez Hospital was
established according to an act of the General
Assembly of the territory, passed Jan. 18, 1805;
DNLM (photocopy of original in the Mississippi
State Dept. of Archives and History, Jackson).
