SCHOLARLY RESOURCES INC. 104 Greenhill Avenue Wilmington, Delaware 19805

Publisher's Note

The publisher wishes to acknowledge the assistance of the staff of the Naval Historical Center, Operational Archives Branch, in the preparation of this program.

The publisher has made every effort to reproduce the transcripts of these hearings as clearly as possible. However, the passage of time has led to the deterioration of some of the original material, and the quality of the binding of some of the volumes has made reproduction difficult.

LIST OF SUBJECTS

Aeronautics

Electronics

Aircraft

Escort Vessels

Aircraft Carriers

Airplane Tenders

Fuel

Anti-submarine Vessels

Armor

Gunboats

Army

Guns and Armament

Auxiliaries

Hospital Ships

Battle Cruisers

Housing

Battleships

Budget

Intelligence

Building Program

International Law

Canal Zone

Limitation and Reduction of Armaments

Chemical Warfare

Coast Guard Cutters

Maps and Charts

Coast Patrol

Marine Corps

Construction Details

Merchant Marine

Convoy

Mine Layers

Cruisers

Mines

Minesweepers

Destroyers

Motive Power

Dry Docks

Motor Torpedo Boats
